A320 TYPE RATING COURSE

Frequently Asked Questions

How long does it take to complete the course?

The average duration of our course is 6 weeks. Our A320 Type Rating course is intense but leaves sufficient time for self-study and rest.

Will SmartLynx ATO arrange travel and accommodation during the course?

Travel and accommodation arrangements are the responsibility of the student. They are not included in the course price. However, thanks to our business partners you will have access to discount prices in convenient hotels. Our Training Centre coordinators will provide the necessary assistance.

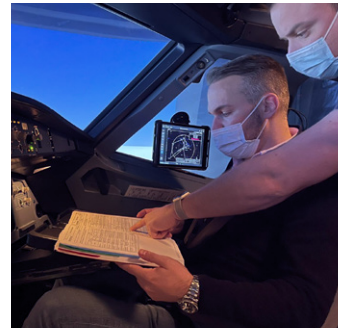

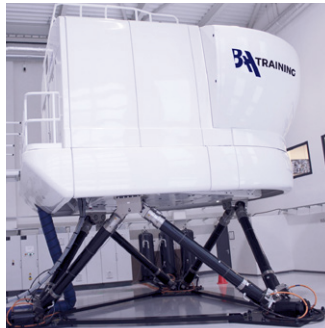

If I join the course together with a friend, would you give me a discount?

Actually yes. If you join our A320 Type Rating Course together with your friend, each of you will get a €1500 discount.

Can non-EU nationals apply for the A320 Type Rating course?

The current company policy only allows candidates with EASA approved licence and Class 1 Medical to enrol into the course. Please note it is student's responsibility to have valid permit to study/work and live in the EU.

What is the price of the course?

34 500 EUR for Type Rating + 500 EUR pre-assessment fee which is non-refundable and is counted towards full course fee for successful candidates. The pre-assessment consists of an online, psychological assessment and interviews with a psychological specialist and the SmartLynx Airlines assessment team. The course price includes:

- All training course materials
- Flight Management and Guidance System trainer
- Computer Based Training with an Instructor
- A320 Performance course
- 3 sessions in A320 Cockpit System Simulator (A320 MFTD)
- 10 Full Flight Simulator sessions (including PBN training, Upset Prevention and Recovery training and CFM/IAE Engine Difference training)
- Skill test with A320 Examiner
- Base training on an actual A320 aircraft (6 Touch & Go + 1 Full Stop)

Is the insurance included in the price?

It is student's responsibility to arrange insurance.

Should the course price be paid all in one payment or it can be done in instalments?

The course fee is paid by the payment schedule and is divided into four parts. Three of these parts are paid before the course start and the last one during the actual course.

Can I pay for the A320 Type Rating after the course from my salary?

Unfortunately, this option is currently not available.
