### FAQ

#### What is the price of the course?

The course fee is paid by the payment schedule and is divided into four parts. Three of these parts are paid before the course starts and the last one during the actual course.

Unfortunately, this option is not currently available.

#### Is job guaranteed after completed A320 TR course?

Our A 320 Type Rating course is intense but leaves sufficient time for self-study and rest. The usual duration of our course is 6 weeks.

#### If I join the course together with a friend, would you give me a discount?

Actually yes. If you join our Type Rating Course together with your friend, each of you will get 1500 € discount.

#### Will SmartLynx ATO arrange travel and accommodation during the course?

Travel and accommodation arrangements are the responsibility of the student. However, thanks to our business partners you will have access to discount prices in convenient hotels. Training Centre coordinators will provide the necessary assistance.
