SPORTS EQUIPMENT

Bicycle

A bicycle must be packed for transport so that the handlebars are turned parallel to the wheel, the pedals are removed and the tires - deflated. All sharp points on the bicycle must be covered with thick plastic or cardboard. Tandems or bicycles equipped with an engine are not accepted for transportation.

Golf Equipment

One set of golf equipment can include one pair of golf shoes in addition to the clubs and the golf bag.

Fishing equipment

A set of fishing equipment consists of one rod, one angler bag and one bait box. Suitable packaging is required.

Skiing Equipment

A set of skiing equipment consists of one pair of skis/snowboard, one pair of ski/snowboard boots, helmet and one pair of ski poles.

Skiing equipment must be packed in a ski-bag to avoid any damage to baggage.

Surfing Equipment

If you have surfing equipment, you must arrive at check-in considerably earlier than the normal check-in time, due to the special transport arrangements required for such equipment.

One set of such equipment includes either:

- ▶ one kite board and one kite
- ▶ one surfboard
- ▶ one set of windsurfing equipment.

The items must be packed in one bag.

Diving Equipment

The air tanks must be emptied prior to transportation. Diving equipment must be packed respective to avoid any damage.

One set of diving equipment comprises one empty scuba tank, one scuba regulator, one tank harness, one tank pressure gauge, one mask, two fins, one snorkel, one knife, one spear gun and one safety vest.

SmartLynx Airlines recommends passengers to insure all baggage.

Only a limited number of sets of sports equipment can be accepted on each flight therefore anyone wishing to transport sports equipment should declare it in advance.
